2022 SUMMER CAMP

Letter to Parents

We are very excited to announce the 2022 summer camp coming soon! The camp this year will take place from June 6-July 1, 2022. Kids four years old and older (up to eighth grade) are eligible to sign up and join. Below are the rules for this year's camp. Please read it carefully as you will need to sign an attestation on the permission slip stating your understanding and agreement to these rules.

1. As a security measure, there is only one entrance where you will be able to pick up and drop off your children and that is in the back of the hall, by the playground.
2. As an added security measure, you will be required to sign-in/out your children on a master roster. Please do not pick-up or drop off your children without coming inside. During this time, we will directly share with you any specific reminders or notes about your children.
 - a. If you are sending someone to pick up your children, you must have listed them as an approved guardian on the application. That guardian must present photo ID when picking up.
3. Due to many complaints, absolutely no electronics, cell phones or any device with Internet access is allowed on premises. The Head Servants will confiscate any such devices they see our children using. If

there is a medical or serious need that requires an exception to this rule, please contact Abouna Mikhail directly.

4. This year, we have compounded the cost of the camp to include the cost of the weekly Thursday trips for your convenience. We have also attached a separate permission slip for all of these trips, which must be submitted with the main summer camp permission slip if you wish to have your children attend. We have a very strict “No slip no trip” policy which will be enforced.

a. Under no circumstance is a child who is not registered for the camp allowed to attend the summer camp field trips.

5. Please have your child eat breakfast prior to coming to camp, as no breakfast will be served. Please provide lunches daily for your child. We will be providing daily snacks.

6. Lastly, out of respect and courtesy to the servants, we ask that you drop off and pick up your children in a punctual manner.

We look forward to another successful Summer Camp this year! If you have any questions, please feel free to contact any of the summer camp servants.

May God Bless You All,
St. Mary's Summer 2022 Camp Committee
